In the Nordic tournament, the wrestler with the highest number of victories will be ranked first.

In a same group, if two wrestlers have an equal number of victories, their direct match will determine the ranking.

For all the other cases with a tie between athletes, the ranking will be determined following these criteria, across the all competition:

- The highest classification points
- The highest victories by « Fall »
- The highest match victories by superiority
- The highest technical points scored
- The fewest technical points given
- The lowest draw number
